Long-Range Planning: (a) Intelligence Collection  
(b) Soviet/East Europe Intentions

1. The Executive Committee will meet on Monday, 17 November 1980, from 1500 to 1630 hours in the DCI Conference Room. Scheduled for discussion at the meeting are long-range planning issues on Intelligence Collection and Soviet/East Europe Intentions. As in the past, your insight into the policy implications of these issues is desired.

2. Attached is the formal issue paper on Intelligence Collection. The planning document on Soviet/East Europe Intentions has been delayed because of the current situation in Poland; if it proves impossible to get the paper to you by Friday, 14 November, the issue will be re-scheduled to the 24 November EXCOM meeting.

3. After completing the discussions on Intelligence Collection and Soviet/East Europe, the next sessions to discuss long-range planning are scheduled for 3 and 10 December. Tentatively, the 3 December session will be used to review changes and follow-up papers for the initial eleven issues you will have heard. Final decisions on the planning issues will be discussed on 10 December.
